

ON THE PULSE OF TIME. WITH DISPLAY LC.

30 YEARS OF EXPERIENCE.

We have been known as a reliable, competent and competitive partner for over 30 years.

EXPERTISE.

Our team stands for knowhow, innovation and flexibility. Because your vision is our motivation.

BECAUSE EVERY PROJECT IS UNIQUE.

Whether customized or standard display - our solutions are tailored to your individual needs.

CORE COMPETENCE.

We are experts in creating customized and industry-specific solutions.

SMALL BUT SMART.

Efficient and flexible - without losing focus. Values that we've been living by for over 30 years.

HIGHEST QUALITY STANDARDS.

A precise inspection as well as the commitment to quality characterize us in handling our projects.

PROJECTS THAT INSPIRE. WITH DISPLAY LC.

The display is as individual as your project. Get in touch with our experts and learn about the various possibilities when it comes to creating an individual solution. One call is all it takes. Because displays are our passion.

We are looking forward to hearing from you!

Every vision needs a face

Individual Display Solutions

INDUSTRY-SPECIFIC SOLUTIONS. WITH DISPLAY LC.

Put your focus exactly where you want:
With our wide range of display solutions from well-known
manufacturers.

TECHNOLOGIES

TFT, Passive, OLED, ePaper, LED

STANDARD

Our standard product portfolio offers solutions for a variety of
applications.

(SEMI-) CUSTOMIZED SOLUTIONS

Whether semi or fully customized - with our displays you'll always
get the perfect solution for your individual need.

SYSTEM SOLUTION

Integration of additional components - all from one source.

THE SKY IS THE LIMIT. WITH DISPLAY LC.

Do you have any requests for adjustments or do you
need additional components? No problem! Our flexible
display portfolio makes (almost) everything possible.

ADJUSTMENT POSSIBILITIES:

- Brightness
- Viewing Angle Optimization
- Connector (FPC, Pin, etc.)
- Interface (LVDS, MIPI, SPI, RGB...)

ADDITIONAL COMPONENTS:

- Coverglass
- Touch (resistive oder capacitive)
- Boards and Plugs
- Embedded Systems / Intelligent Systems
- Keyboards and Foils
- Printing (ceramic, organic...)
- Housing

...and many more!

Creating individual and industry-
specific solutions has been the core
of our business for over 30 years now.
Today, more than ever, Display LC
stands for knowhow, flexibility and
customer oriented solutions.

Fabian Erismann, COO, Display LC AG
